VISUAL INDIVIDUAL

Technique and Training

Achievement

Evaluate the skill of all the performers through their Individual Achievement. Measure the ability to perform the responsibilities not only of the visual but also in combination with their musical responsibilities.

Technique and Training										Achievement							
 Demonstration of technique fundamentals Clarity of style Clearly defined body principles Individual alignment/carriage Variations, range, and uniformity in technique Complexity and Variety of Skills Poise in movement and equipment Recovery 									 Uniformity Variety of responsibilities Control of form and space Compatibility between performer and the responsibilities Effort Changes Precision with respect to the challenge Pulse Control

Considerations in Technique and Training	Considerations in Achievement
Displays clearly defined and refined style of choice	Displays achievement in space and line
Displays carefully defined footwork for any and all situations	Offers a clarity of articulation with all auxiliary equipment
Displays principles of movement	Displays a range of effort changes
Shows clearly defined expressive qualities	Displays control over their responsibilities
Offers poise and assuredness with an understanding of recovery	Delivers a high level of precision
 Offers clearly defined technique and training through auxiliary equipment and body 	Displays an understanding of their responsibilities
Displays an understanding of their overall environment of performance
